## PLAN BOYS BASEBALL AT MONDAY MEETING

A meeting of the Bethel Midget Baseball Club was held at the Crescent Park School Monday evening with a very small attendance. Chairman Harlan Hutchins opened the meeting and announced that he had hoped to elect new officers but because of the small attendance, it was decided to postpone this business until another meeting.

Several matters of business were discussed and a definite decision was made that we would have one Pony League and one Little League to compete in the Oxford County Baseball League. All boys not making the Little League will be placed on one or two Farm Teams. Three of those present at the meeting were Managers and Coaches of Little League last year and will assist in this capacity this season. These are Harold Young, Clayton Bane and Bob Mills. It is hoped that the other coaches who helped with those young players last year will feel able to do so this year. Paul King will be Pony League Manager, but he would like co-manager and coach.

The subject of the two baseball fields was discussed at length with Donald Christie. Suggestions were made as to ways of commanding work on these fields.

Chairman Hutchins announced that there will be a meeting of the representatives from each town competing in the Oxford County League at the Norway Fire Station on May 8 at 7:00 p. m. Managers, coaches and members of this committee should try to attend.

Next week papers will be posted at the Crescent Park School, primary school and Gould Academy for the benefit of all boys who wish to sign up for Little League and Pony League teams for the summer baseball season. All boys 8-12 may sign up under Little League and 13 or 14 year olds under Pony League. Another meeting will be held in May and announced previously for the benefit of those who may wish to attend. Please join us at this meeting and assist in our baseball program.

## SP3 WATERHOUSE ATTACHED TO 4th INF. DIV. IN GERMANY

Training received by the "Ivy" division, part of the U. S. Seventh Army, includes intensive maneuver and realistic field problems.

An old man with Medical Company of the division's 12th Infantry Regiment, Specialist Waterhouse entered the Army in September 1954 and completed basic training at Fort Dix, N. J. He arrived overseas in September 1955.

A member of Alpha Gamma Rho and Alpha Zeta fraternities, Waterhouse was graduated from the University of Maine in 1954.

## 1955 RECORDS DETERMINE CONTRIBUTION LIABILITY TO UNEMPLOYMENT ACCOUNT

The Maine Employment Security Commission has announced that many of the more than 2,200 Employers, who became liable for contributions on January 1 under a revision of the employment security law, apparently do not understand the provisions of the law which prescribe the making of such contributions.

The law provides that any employing unit with 4 or more individuals employed in 1955 for some portion of a day, but not necessarily simultaneously, in each of 20 different weeks, whether or not such weeks were consecutive, are liable to pay a contribution on such employment as of January 1, 1956. The first quarterly contribution, which in this instance is based on 1955 employment, is due and payable on or before April 30, 1956. Some of these Employers, who are not employing 4 or more, are under the impression that they are not liable. But their liability is based on their 1955 employment record, although the contribution due date is determined on wages paid during the first quarter of 1955.

## SAMPLE BAZAAR TO BE SPONSORED BY THE GUILD

Mrs Estelle Goggin and her committee of the West Parish Church Guild are planning one of the biggest bargains ever offered Bethel Shoppers. Their "Sample Bazaar" will allow homemakers, for a small door admission, to stroll around the booths filling their shopping bags with interesting free samples from over 25 leading producers of the day.

Part of this big give-away occasion will be free coffee and doughnuts donated by the local coffee and doughnut shop.

Other food samples will be offered as well as many household and gift articles. Many valuable gifts have been donated by companies or businesses to be used as free door prizes. The "Sample Bazaar" offers free food, free prizes, wonderful free samples, and plenty of fun from 2:45 to 4:30 p. m. The committee reminds everyone to bring a shopping bag or basket. A laundry basket was suggested by one shopper as she admired all the samples.

## TODAY'S Meditation

from  
The Chopper Room  
THE WORLD'S MOST WIDELY USED DEVOTIONAL GUIDE

Thursday, April 20  
Read Exodus 3:15-36.  
I am sure that they might have life, and that they might have it more abundantly. (John 10:10)  
Jesus took six new disciples and sent for Jesus and his family when he was converted. It started one Sunday morning when he heard some people singing on a street corner. The preacher spoke of the love of God for all men. Jesus hated everyone and felt sure that God, if He existed, hated him. But the preacher seemed to be looking straight at Jesus and claiming that God loved him. Could it be? That night Jesus went to church with his whole family. He decided to become a follower of Christ.

His life began to change. He abandoned strong drink and gambling. He stopped beating his wife. He took down the little gold bat and

built a new house for his family. He sent his children to school instead of to the factory. He started family worship and asked the pastor to start a Sunday School in his house. There some of his neighbors were converted.

It was all because Jesus himself availed to the fact that God loved him.

Prayer  
O God and Father, we thank Thee for Thy love for us, although we are. We thank Thee for the life abundant promised by Christ, our Redeemer. Help us to love Thee that today we may have life more abundantly. In Jesus' name. Amen.

Thought For The Day  
Christ's redeeming love in us makes our lives meaningful. Charles W. Gray (Brazil)
